2. Third party costs. These costs are additional costs paid to third parties for services not provided by us, such as church fees, cremation fees, burial fees and officiant's fees. As such, we have no control over these costs but are required to pay these costs on your behalf.

Headstone and Cremation Memorials Price List

It's what we do

Prices are for the memorials as shown in our Headstone and Cremation Memorials brochure and are inclusive of VAT. All our memorial prices are exclusive of Cemetery or Permission fees (which are set by the burial authorities). Cemetery or Permission fees will be added to the prices shown on this price list and we will advise you of these. If you want to change the shape, size, colour or stone on one of the memorials shown in the brochure to something not listed, then we'll work with you to create a bespoke memorial and we'll advise you of the price.

Prices include unlimited lettering (regardless of amount or size), carved design(s) as shown, flower container(s) as shown, fixing to British Standard methods of BS8415, a compliance guarantee of 10 years for stone material and fixing and 2 years for lettering finish.

The sizes are shown in overall height x overall width x overall depth. Please note that for our headstone memorials, the thickness of the upright headstone (plate) is shown in brackets. Measurements are shown in both feet and inches and centimetres.

Fixing of Memorials is subject to Local Cemetery/Churchyard Rules and Regulations and we'll check these for you, before placing your order.

Designs

The carved designs that appear on the memorials featured within the brochure are included in the prices listed. Some designs will take longer than others to complete and we can advise you about this and how long the memorial will take to be produced.

Lettering

All memorials in our range include unlimited lettering (regardless of amount or size). Some lettering is not suitable for certain materials, e.g. 'Raised lead on Marble' and 'Flush lead on Granite'. We will advise you of this when you place your order.

Payment

We require a 50% deposit for all orders, with the final balance payable upon completion.
