Our Price List

The cost of a funeral is made up of two parts:

1. The funeral provider's costs. These are the costs of professional services and any products and services chosen by you to create the best goodbye.
2. Third party costs. These costs are additional costs paid to third parties for services not provided by us, such as church fees, cremation fees, burial fees and officiant's fees. As such, we have no control over these costs but are required to pay these costs on your behalf.

Headstone and Cremation Memorials Price List

It's what we do

Prices are for the memorials as shown in our Headstone and Cremation Memorials brochure and are inclusive of VAT. All our memorial prices are exclusive of Cemetery or Permission fees (which are set by the burial authorities). Cemetery or Permission fees will be added to the prices shown on this price list and we will advise you of these. If you want to change the shape, size, colour or stone on one of the memorials shown in the brochure to something not listed, then we'll work with you to create a bespoke memorial and advise you of the price.

Prices include unlimited lettering (regardless of amount or size), carved design(s) as shown, flower container(s) as shown, fixing to British Standard methods BS8415, a compliance guarantee of 10 years for stone material and fixing and 2 years for lettering finish.

The sizes are shown in overall height x overall width x overall depth. Please note that for our headstone memorials, the thickness of the upright headstone (plate) is shown in brackets. Measurements are shown in both feet and inches and centimetres.

Fixing of Memorials is subject to Local Cemetery/Churchyard Rules and Regulations and we'll check these for you, before placing your order.

Third Party Fees and additional products and services

Burial and cremation fees

If you live in England, Scotland or Wales your local authority* will not charge for a standard child's burial or cremation of a child under the age of 18, but this might not include the cost of the grave.

If you need to pay for any third party fees, and/or you choose any additional products and services which are not included in our free service, you'll need to pay at least half the total estimated cost within 48 hours of making the arrangements.

To provide the right support and guidance, we may conduct a soft credit check which will determine when the remaining balance is due. You may be asked to pay in full before the funeral takes place or we'll send you an invoice after the funeral, which needs to be paid within 21 days.

How to pay

You can pay online (final invoice only) or at your chosen funeral home by cash, credit card or debit card. We also accept payments via BACS transfers from banks or the Post Office (if you bank with them).

Help with paying for a funeral

If you're worried about how you'll pay for any third party fees or additional products and services you've chosen, please tell us as soon as possible. We can help you explore your options and find the right kind of support for you.

Funeral Safe

If you'd rather pay in monthly payments, you might be able to apply for a funeral loan through our partner Funeral Safe. You'll find all the information you need on loan amounts, repayments and details on how to apply at **funeral.loans.funeralsafe.co.uk/coopfuneralcare**

Government support

You may be able to get government support* to help cover the costs, and we'd be more than happy to show you how to make a claim. To find out more about government support, go to **gov.uk/funeral-payments** or visit our website at **coop.co.uk/funeralcostsupport**

Children's Funeral Fund for England

For children's funerals in England, The Children's Funeral Fund (CFF) for England may help to pay for some of the fees charged for a cremation or burial* of a child under the age of 18 or stillborn after the 24th week of pregnancy. If you need to apply for this funding, we'll do this for you.

If you want to choose a different coffin to the ones included for free in our Children's Funeral Service, if you live in England, we can claim back the first £300 of the cost from the Children's Funeral Fund for England (CFF) on your behalf and you won't be charged.
